10. Please select the factors that you feel are the greatest barriers to using technology in your teaching: (Please choose up to 3 items)

Not enough time

Not enough money to purchase the equipment and software you need

Insufficient computing infrastructure (servers, bandwidth, storage capacity)

Insufficient computing facilities (labs, technology-equipped classroom)

The college owns equipment/software you would like to use, but gaining access to the resources is too difficult or inconvenient.

Not enough training offered in the areas that interest you.

Not enough people to help you when you have problems with technology.

I am not interested in using technology.

I do not perceive any barriers to using technology in my teaching.
