1. Do you use technology?

No, not at all

Yes, sometimes

Yes, frequently

Yes, all of the time

Add Question Here Split Page Here

Edit Question MoveCopyDeleteAdd Logic

2. How are you currently using technology in your teaching? (Check all that apply)

I do not use technology

I post my syllabus online

I distribute class materials, such as readings, online

I use email to communicate with my students

I use chat rooms or discussion lists in my classes

I use selections from audio and/or video resources as examples

I use a slide projector or overhead projector in class

I use an LCD projector/computer in class

I use PowerPoint to present my lectures

I use the web in my lectures

I use videoconferencing to present my lectures

I use webcams for virtual office appointments

I use podcasting to record my lectures for remediation

My assignments include watching movies/television/live theater

My assignments include visiting discipline-specific web sites

My assignments include using electronic resources such as simulations and games that are not on the web

My assignments include giving presentations in class using a computer/projector and presentation software such as PowerPoint

My assignments include creating a website

My assignments include creating a digital video

My assignments include using program or equipment specific to my discipline, (statiscal programs, lab equipment, etc. etc. etc.

8. Please select the factors that you feel are the greatest barriers to using technology in your teaching: (Please choose up to 3 items)

Not enough time

Not enough money to purchase the equipment and software you need

Insufficient computing infrastructure (servers, bandwidth, storage capacity)

Insufficient computing facilities (labs, technology-equipped classroom)

The college owns equipment/software you would like to use, but gaining access to the resources is too difficult or inconvenient.

Not enough training offered in the areas that interest you.

Not enough people to help you when you have problems with technology.

I am not interested in using technology.

I do not perceive any barriers to using technology in my teaching.

9. Which of the following would make using technology easier for you? (Choose up to 3 items) Please elaborate on your selections.

More time to
work on
technology
projects

More money
to purchase
software and
equipment

Better
computing
infrastructure

Better
computing
facilities

Making
resources
more easily
accessible

Improving the
training
program

Improving
access to
technical
support staff
