Subject: Technology Training
Attachments: What can Dana Do for me.doc

As you know we have the technology training scheduled for March 8 and April 13. For your convenience, the class scheduled for April 13th is also being taught at AUM on Feb 16th. If you would like to attend the class on Feb 16th then you need to contact: Jennifer Fritschi (she is our trainer also) fritschi@uab.edu or call her at 205-934-2191, her fax is 205 975 5389. The training will be on Feb 16th from 9am to 12pm in room 209 of the Education Building. Call Melissa Reck at 334-244-3413 for directions. Jennifer needs to know by Tuesday afternoon.

A reminder:

For our on-site training listed below please make reservations with:

Ms. Alloway at 229 6829 or fax at 229-6831

Our next training is scheduled for March 8 - the title is: Assistive Technology Tool for Learning - summary: Software and hardware solutions to meet the diverse needs of all students. Assistive Technology tools enable access to the curriculum for students with disabilities, ELLs, at-risk and gifted students.

And our final training for this semester is on April 13 - Handhelds in the Classroom - summary: Learn how portable, affordable handheld technology, comprising 80% the functionality of a computer, can be used to meet Alabama Course of Study standards.

You can email me at rsaphore@alasu.edu or call 6832 (I will be there after three today) if you have any questions.

Please pass this information to your adjunct faculty members.

Thank you for your support and see you at the training!
Roger B. Saphore
