Subject: Technology Training

These are the last two technology training for this School Year.
You may a end even if you did not a end previous training.
If you plan on a ending please register with Ms. Alloway at 334 229 6829 or fax at 334 229 6831.
There is a limit of 25 for each session.
If we have reached the limit then you may request placement on the wai ng list.

Each training module is designed to facilitate faculty in teaching educa on students how to effec vely integrate the tools of technology in addressing K-12 standards. Materials will be given so that the training may be replicated with faculty members' students.

April 19 from 9 to 12 ASU CH Room 325 Subject: Assis ve Technology Tools for Learning

So ware and hardware solu ons to meet the diverse needs of all students. Assis ve Technology tools enable access to the curriculum for students with disabili es, ELLs, at-risk and gi ed students. (Three Hours)
[Snapshot of training materials]
